

The image shows a technical drawing of a mechanical assembly, likely a door handle or latch mechanism, in two views. The left view is a front elevation showing two vertical posts connected by a curved handle. A dimension line on the left indicates a height of 159 units. The right view is a side elevation showing a vertical post with a handle and a diagonal component. A dimension line on the right indicates a height of 138 units. The drawing is a black and white line drawing with no shading.
