

The image shows a technical drawing of a mechanical component. On the left, a vertical dimension line indicates a height of 139 units. To its right, another vertical dimension line indicates a height of 74 units. The main drawing shows a central vertical shaft with a horizontal flange at the top. The flange has two circular holes. Two diagonal lines extend downwards from the flange. To the right of the main drawing is a detail view of the top of the shaft, showing a rounded, cylindrical cap with a small internal detail.
