

The drawing shows a side view of a door frame. On the left, there are two vertical dimension lines. The outer one is labeled with the text "**200" and the inner one with "*193". The frame consists of two vertical posts and a horizontal top rail. The posts are connected to the top rail with curved brackets. To the right of the main frame, there is a smaller, simplified representation of the door frame, showing the two vertical posts and the top rail. Below the drawing, the text "NAT810" and "1:100" is printed.

**200
